CONCLUSIONS OF LAW

1. The ends of justice served by granting said continuance outweigh the best interest of the public and the defendant in a speedy trial, since the failure to grant said continuance would be likely to result in a miscarriage of justice, would deny the parties herein sufficient time and the opportunity within which to be able to prepare for trial effectively and thoroughly taking into account the exercise of due diligence.
2. This request for a continuance is made in good faith and is not intended to delay the proceedings in this matter.
3. For all the above-stated reasons, the ends of justice would be best served by a continuance of the trial date.
